THE STOCK OF DRY GOODS

Here is still very attractive, both as regards styles and prices. We are showing one of the best assortments in Eastern Canada, and prices are as low and lower, than Departmental Humbugs.

Why citizens of Napanee send out of town for their Dry Goods we cannot tell; it is not because goods are highly priced in Napanee.

Coupon Books Have Been Sent

To every house here, and the purchaser of every 10c worth of goods is entitled to a coupon. When their book is filled you are entitled to \$3.00 cash. Don't believe the yarns some of our competitors' have been telling, that our prices have been advanced to meet this expense, because there is not a word of truth in it; they are simply guessing. We mind our own business here, and devote our attention to giving our customers the best value possible, and at the same time best attention.

U. E. LOYALIST CELEBRATION.

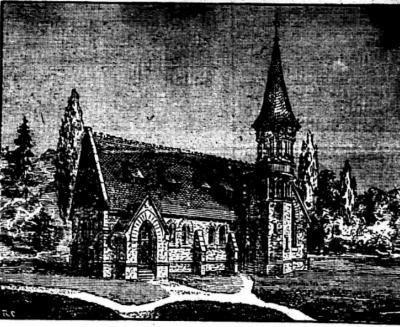

THE FIRST PIONEERS OF ADOLPHUSTOWN DISTRICT.

It was on the 16th day of June, 1754, that the first Pioneer United Empire Loyalists landed in Adolphustown to how out for themselves houses in what was then a desolate and broken wilderness. Yesterday was therefore the anniversary of the arrival. We are glad to know that the descendants of those memorable men in a small way have responded to the commemoration event by a public service at the historic old Township. A delegation of the Toronto U. E. Loyalists have signified their intention of being present, and to sit at the head of the table at the meeting as has, we understand, been postponed to Saturday morning. Some report of that meeting we hope to give in our public schools next week. Meanwhile some facts in regard to the event have been given to us by the historian of the U. E. Loyalists.

The rising generation in this County should be interested in its early history. We are sure that the kindred who have been taken to have the facts presented from year to year in our public schools. So far as little as we have been given to the history of our country.

Seldom, if ever, in any country or colony, has there been such a sacrifice of personal and national interest as that made by the Loyalists. Their property confiscated; they were driven from their homes; banished, or cast into prison; others were hunted from place to place like the vermin of
